

Nursing and Instructional Building Naming Opportunities
sorted by Location/ Floor

Name	Location (Floor)	Description	Square footage	Price Range Low	Price Range High	Number of Spaces	Unit	Notes/Questions
Classroom, 60 seats (811)	1	Classroom for 60 chairs for active learning with 4 monitors on wall	1268	\$ 100,000	\$ 150,000	2	All	
Classroom, 150 Seats (11)	1	Classroom to fit 150 students for active learning	2604	\$ 250,000	\$ 500,000	2	All	
*Atrium	1	First floor entry into building/ Reflects the healthy building philosophy; will be used by students to gather, work on group projects; will be used by Nursing, HHS, and CAS for events		\$ 150,000	\$ 200,000		All	
Human Anatomy (Rm 305)	1	24 seat Laboratory Classroom with chairs, sinks, lecturn, display bench and all laboratory supplies, ready for two cameras with audio for recording teachers	1159	\$ 120,000	\$ 150,000	3	BIO	Or could be combined into suite for \$300,000 - \$2350,000
NMR Suite	1	Research rooms with two highfield NMR instruments. Used for both research and instructional purposes.	900	\$ 1,000,000	\$ 3,000,000		Chemistry / Biochemistry	Price is higher due to NMR instruments; could be adjusted as needed depending on donor
Classroom, 10 Seats	1	High-Tech Learning Studio	375	\$ 50,000	\$ 75,000		HHS	
Active Research Suite, up to 12 occupants	1	Flexible work space	600	\$ 50,000	\$ 75,000	4	HHS	
Active Research Suite, up to 15 occupants	1	Flexible work space	1200	\$ 100,000	\$ 125,000		HHS	
Student Organization Room (572)	1	General student meeting group area with sink, storage, closets, 2 tables with 8 chairs	246	\$ 25,000	\$ 50,000		Nursing	
Primary Care Clinic Suite	1	Includes exam room, medication room, nursing station, reception area, and standardize patient space for simulation	487	\$ 100,000	\$ 150,000		Nursing	
Community Engagement Center (575)	1	Multipurpose room with room divider to break space into conference room and "lecture room" for community events	1409	\$ 150,000	\$ 200,000	1	Nursing	
Primary Care Clinic Suite	1	Includes medicine room, file room, standardized patient changing room, dirty/clean utility rooms, nursing station		\$ 500,000	\$ 750,000		Nursing	

Nursing and Instructional Building Naming Opportunities
sorted by Location/ Floor

Microbiology Incubator Room (Rm 229)	2	Walk in incubator for course support	257	\$ 150,000	\$ 175,000		BIO	Could be combined with micro labs
Microbiology Laboratory Preparatory Room (Rm 223)	2	Preparatory Room for Microbiology Lab Courses with autoclave, refrigerator, freezer, -80 freezer, industrial dishwasher, ice machine	804	\$ 50,000	\$ 100,000		BIO	Or could be combined into suite for \$300,000 - \$2350,000
Microbiology Course Laboratory (rm 231)	2	24 seat Laboratory Classroom, with chairs sinks, refrigerator, two incubators, supplies, lecturn, camera ready with audio for recording teachers	1166	\$ 120,000	\$ 150,000	2	BIO	Or could be combined into suite for \$300,000 - \$2350,000
Gen Biology Course Laboratory (Rm 203)	2	24 seat Laboratory Classroom with chairs, sinks, lecturn, display bench and all laboratory supplies, ready for two cameras with audio for recording teachers	1159	\$ 100,000	\$ 150,000	4	BIO	
Gen Biology Flex Course Laboratory (Rm 215)	2	chairs, sinks, lecturn, display bench and all laboratory supplies, ready for two cameras with audio for recording	743	\$ 50,000	\$ 100,000		BIO	
Student Affairs Veteran Advising Space (217)	2	Advising space with 10 open-air work spaces for VAP students, with outside light	312	\$ 25,000	\$50,000		Nursing	
Nursing Active Research Suite-Large (174)	2	16 open-air work spaces, conference table with 10 seats, with outside light	1070	\$ 100,000	\$ 125,000	1	Nursing	
Research Suite - Large (173)	2	16 open-air work spaces, conference table with 10 seats, with outside light	1094	\$ 100,000	\$ 125,000	1	Nursing	
Human Physiology BIO/Kin Prep (Rm 321B)	3	Preparatory Room for Human Physiology Lab Courses with autoclave, refrigerator, freezer, -80 freezer, industrial dishwasher, ice machine	900	\$ 50,000	\$ 100,000		BIO	Could be added to the suite
Human Physiology (Rm 323)	3	chairs, sinks, lecturn, display bench and all laboratory supplies, ready for two cameras with audio for recording	1159	\$ 120,000	\$ 150,000		BIO	Or could be combined into suite for \$300,000 - \$2350,000
Human Physiology (Rm 325)	3	24 seat Laboratory Classroom with chairs, sinks, lecturn, display bench and all laboratory supplies, ready for two	1159	\$ 120,000	\$ 150,000		BIO	Or could be combined into suite for \$300,000 - \$2350,000
KIN Anatomy Lab	3	30 seats. 3 anatomage tables	1500	\$100,000	\$125,000		HHS	

Nursing and Instructional Building Naming Opportunities
sorted by Location/ Floor

KIN Physiology Lab	3	24 seats	1500	\$ 75,000	\$ 100,000		HHS	
Nursing Computer Lab	3	64-computer station computer lab for Nursing students; used for standardized testing to prepare for NCLEX	1368	\$ 250,000	\$ 300,000		Nursing	
Teaching Assessment lab, 16 beds (257)	3	Hospital-like room with 16 beds; individual curtains for beds, desks for meeting, sinks, windows	2651	\$ 250,000	\$ 300,000		Nursing	
Teaching Skills Lab, 18 beds (256)	3	Hospital-like room with 18 beds with individual curtains for beds, and sinks	2939	\$ 250,000	\$ 300,000		Nursing	
Lecture rooms	4	two lecture rooms; each holds 60 students		\$ 100,000	\$ 150,000	2	Chemistry / Biochemistry	Or could be combined into suite for \$200,000 - \$250,000
Gen Chem Labs	4	(course taken by many different majors, including chemistry/biochemistry; biology; nursing; nutrition; others?)	1200	\$ 200,000	\$ 250,000	6	Chemistry / Biochemistry	Or could be combined in a suite for \$800,000 - \$1,000,000
Student Skills Practice Lab (270)	4	3 bed, 6 desks, sink, overhead cabinets, counter with lower storage	465	\$ 25,000	\$ 50,000		Nursing	
Home Health Simulation Lab (268)	4	Home simulation with bed, couch, kitchen, table, full bathroom	517	\$ 100,000	\$ 125,000		Nursing	
Nursing research lab, 4 seats (624)	4	Lab space with 2 sinks for research	749	\$ 25,000	\$ 50,000		Nursing	
Pre-Sim Briefing (10)	4	30 chair pre-briefing room for students	790	\$ 25,000	\$ 50,000		Nursing	Could be included in Simulation Suite
Faculty/staff Lounge (222)	5		495	\$ 50,000	\$ 75,000		Nursing	
Nursing meeting room (249)	5	52 desk meeting area for Nursing department with patio access	986	\$ 50,000	\$ 60,000		Nursing	
*Bioretention Pond		depressions or shallow basins used to slow and treat on-site stormwater runoff. Grass buffer strip- reduces		\$ 150,000	\$ 200,000		All	

**Nursing and Instructional Building Naming Opportunities
sorted by Location/ Floor**

*Outdoor Space Student Learning & Leisure Space		Outdoor student friendly space' park-like with benches, swings, and landscaping to promote student interactions, study, meditation,		\$ 150,000	\$ 200,000		All	
*NIB Building				\$ 15,000,000	\$ 20,000,000		All	
Nursing Simulation Labs, pre-briefing and debriefing rooms		Includes 8 simulation rooms, e.g., hospital, pediatrics, maternity, community, intensive care and 8 debriefing rooms	5,000	\$ 300,000	\$ 400,000		Nursing	
*Dean's Suite with Terrace		Includes conference room, premier meeting space for visitors from across the university; space supports the healthy building philosophy with outdoor meeting space; will be used for special university events (481 SF)		\$ 100,000	\$ 150,000		Nursing	
*Nursing School				\$ 10,000,000	\$ 12,000,000		Nursing	
*Premier Naming Spaces
