BOT-2 Update on Moss Street Partnership School

Background Information

Moss Street Partnership School, a collaboration between UNCG and Rockingham County Schools, opened its doors on August 27, 2018 to 390 elementary school students. Moss Street Partnership School is part of the [UNC Lab School Initiative](#), and UNCG is one of nine campuses selected by the state to improve student learning in low-performing schools as part of the initiative.

Moss Street Principal Catina Chestnut, a UNCG graduate, and Christina O'Connor, Co-Director of the Moss Street Partnership School, will share information about the progress the school has made thus far.
