CARL - 2 Institutional Risk Management Update

**Background Information**

At the September 12, 2017, meeting of the CARL Committee, Vice Chancellor Charlie Maimone introduced Mark McKinney, new Director of Institutional Risk Management. At the February 20, 2018 CARL meeting, Mr. McKinney presented an update on Institutional Risk Management and his plans for working with the Institutional Risk Management Committees and the campus.

This Institutional Risk Management update will focus on the progress of the UNCG Institutional Risk Management (IRM) Program. The goal of IRM is to align risk appetite and strategy with strategic initiatives to mitigate any potential threats.
