Governed by the established investment policy, the UNCG Investment Fund Board set a target asset allocation and Cambridge Associates Capital Management, the dedicated OCIO, makes investment decisions around those targets. The asset allocation is discussed at each quarterly meeting.

The long-term investment objective for the UNCG Investment Fund is to attain an average return on investment adjusted for inflation of at least 5%, as measured over a rolling five-year period. The UNCG Investment Fund return on an annualized basis are in the chart below. The policy index is based on the asset allocation and is net of fees.
