**Discussion Item**

AAC – 3      Residence Life: Creating a Culture of Care (Akens, Johnson, Holden)

**Background Information**

We welcomed nearly 6,000 students to the residence halls last month. While a great deal of work goes into ensuring the accommodations are ready for move-in day, the bulk of staff's focus is on how we make the residence halls "home" for residents and how we support student success through a culture of care.
