BOT-4 Report on Designer Selections

## **Background Information**

At a meeting of the UNCG Board of Trustees on December 6, 2013, in order to reduce the time required to complete the selection process, authority delegated to the Chancellor to approve the appointment of architects and engineers was increased for projects with authorized funding of \$500,000 or less to \$2,000,000 or less, and authorized the Chancellor to report all such appointments to the Board at its next meeting.

In keeping therewith, the following appointments are being reported to the Board.

Attachments:

- 4.1 Soccer Field and Draining Repairs
- 4.2 Transitional Surface Parking Lot
- 4.3 Walker Deck Elevator Modernization
- 4.4 December 6, 2013 Meeting Minutes and Action Item
