CARL – 4 UNC Greensboro Compliance with System Equality Policy

Background Information

By memorandum issued June 17, 2025, Board of Governors Chair Wendy Murphy and Governor Alex Mitchell, Chair of the Board of Governors Committee on University Governance, directed the chairs of all UNC System constituent institution boards of trustees to establish a subcommittee charged with receiving open session briefings on campus compliance with the UNC System's [2024 Policy on Equality within the University of North Carolina](#), including limited closed session briefings on relevant campus personnel. The charge also includes review of the campus's draft Equality Policy Certification for 2024-2025.

UNCG Board of Trustees Chair George Hoyle designated members of the standing Compliance, Audit, Risk Management, and Legal Affairs Committee (CARL) to assume this oversight responsibility. The designation was approved by President Hans by memorandum issued July 21, 2025.

In keeping with the June 17, 2025 memorandum, the Committee will hear a briefing from Chancellor Gilliam, who will be joined by Vice Chancellor for Institutional Integrity and General Counsel Blakemore and other members of executive staff.
