## **Presentation**

BOT-2 Spartan Recovery Program

## **Background Information**

The [Spartan Recovery Program](#) (SRP) is a program of Student Health Services Counseling Center that is available, free of charge, to UNCG students in all phases of recovery from addictions to alcohol and/or other drugs.

The SRP is not a treatment program; rather, the program focuses on creating a network of recovery support services that promote the personal, academic, and professional goals of students in recovery.

Dr. Jennifer Whitney, Director of Counseling, and Terri Spears, SRP Coordinator, will provide an overview of the Program with input from student participants.
